MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 2 to Contract No. SC-58 Lockheed Aircraft Corporation, Burbank, California, [redacted] Project AQUATONE. 25X1A

1. This memorandum contains a recommendation submitted for approval of the Project Director. Such recommendation is set forth in Paragraph 5.

2. Contract No. SC-58 covers the furnishing of technical representatives for the Air Force in the ZI and overseas for the period 1 July 1957 through 30 June 1958. This Amendment covers the training of [redacted] Government employees by a Lockheed instructor at Del Rio, Texas, in the maintenance of the basic aircraft. The training was to start about 28 October 1957 and last for three weeks. This Amendment confirms our letter of 1 October 1957 (SAPC-19836) wherein authorization was granted to proceed with this training.

3. An amount of [redacted] was originally allocated to cover the first 6 months of service. Since the Contractor has not submitted any claims to date and he is required to notify the Contracting Officer upon expenditure of 85% of the allocated amount it is recommended that the additional amount of [redacted] obligated by SAPC-19836 above be liquidated. By concurrence to this memorandum the Project Comptroller signifies the [redacted] previously obligated has been liquidated. The contract amount therefore remains at [redacted]

4. Certification of funds of this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.
